CONSENT FOR STERLIZATION OPERATION

Whereas _____, physician has been asked to perform an operation of sterilization on the undersigned male, such an operation being known as a vasectomy (or vas section and ligation) and WHEREAS, said physician is willing to perform said operation only upon the written consent of the undersigned husband and wife, freely and fully given, and WHEREAS, the undersigned by execution of this agreement, HEREBY, give their consent and agreement, individually and jointly, to the husband of the ability to produce children or cause pregnancy in a female partner.

The undersigned further agrees that _____physician, shall not be responsible in any way for any deleterious consequences resulting from said operation, and hereby release and discharge him from any or all claims and demands whatsoever which they , their heirs, executors, administrators or assigns have or may have against said physician by reason of any matter relative or incident to such operation.

WE further certify that we have ready and fully understand all of the details of the brochure on Vasectomy, which was given to us by said physician and of which this consent form was an intrinsic part. We certify further that having read this brochure we were asked by said physician whether any additional information was required, and we have answered to the contrary.
